SCHEDULE OF BENEFITS

Preferred Provider Organization (PPO)
Group Health Plan Medical Benefits

For You and Your Dependents

Medical benefits provide coverage for care In-Network and Out-of-Network. To receive medical benefits, you and your Dependents may have to pay a portion of the Covered Expenses for services and supplies. That portion is the Copayment, Deductible or Coinsurance. Payment for any of the expenses listed below is subject to all Plan Exclusions, limitations, and provisions. See the Utilization Management section for more information regarding Pre-Certification and/or Notification requirements.

You may be responsible to pay for Excess Charges from Out-of-Network Providers and Facilities if the services do not qualify as Emergency Services, Air Ambulance Services, or if services were not provided at an In-Network Facility. In some cases, you may be responsible for paying Excess Charges only if the Out-of-Network Provider gave you a written notice and secured your consent to pay the Excess Charges.

Coinsurance

The term Coinsurance is the defined as the percentage of the Allowed Amount that you must pay for Covered Expenses to the Provider and/or Facility. Once you have met any applicable Deductible amount, your percentage will be applied to the Allowed Amount for Covered Expenses to determine your financial responsibility. The Plan's percentage will be applied to the Allowed Amount for Covered Expenses to determine the Benefits provided.

Copayments/Deductibles

Copayments are amounts to be paid by you or your Dependent for Covered Expenses. Deductibles are Covered Expenses to be paid by you or your Dependent before benefits are payable under this Plan. Deductible amounts are separate from and not reduced by Copayments. Copayments and Deductibles are in addition to any Coinsurance. Once the Deductible maximum in the Schedule of Benefits has been reached, you and your family need not satisfy any further medical Deductible for the rest of that year.

This Plan has an Embedded Deductible. This means family members meet only their individual Deductible and then their claims will be covered under the Plan Coinsurance; if the family Deductible has been met prior to their individual Deductible being met, their claims will be paid at the Plan Coinsurance.

Out of Pocket Expenses

Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the Plan because of any Deductibles, Copayments or Coinsurance. When the Out-of-Pocket Maximum shown in the Schedule of Benefits is reached, all Covered Expenses, except charges for non-compliance penalties and non-covered services, are payable by the Plan at 100% of the Allowed Amount. The Out-of-Pocket Maximum includes Out-of-Pocket Expenses for both Medical and Prescription services.

This Plan has an Embedded Out-of-Pocket Maximum. This means family members meet only their individual Out-of-Pocket Maximum and then their claims will be covered at 100% of the Allowed Amount; if the family Out-of-Pocket Maximum has been met prior to their individual Out-of-Pocket Maximum being met, their claims will be paid at 100% of the Allowed Amount.

The following Out-of-Network Expenses and charges do not contribute to the Out-of-Pocket Maximum and are not payable by the Plan at 100% of the Allowed Amount when the Out-of-Pocket Maximum shown in the Schedule of Benefits is reached.

- Non-Compliance Penalties
- Provider charges in excess of the Allowed Amount

Accumulation of Plan Deductibles and Out-of-Pocket Maximums

Deductibles and Out-of-Pocket Maximums do not cross-accumulate (that is, In-Network will accumulate to In-Network and Out-of-Network will accumulate to Out-of-Network). Additionally, all other Plan maximums and service-specific maximums (dollar and occurrence) do not cross-accumulate between In- and Out-of-Network unless otherwise noted.
